LIVE 10 YEARS LONGER

Studies have found tennis to be the best full body workout of any sport! It is estimated that regular tennis players can add 10 years to their life.

Tennis improves balance, coordination, and reaction time. Stay sharp!

BUSY SCHEDULE? NO WORRIES...

Seasonal privates run from early September to early June. Lessons may be rescheduled with a 48 hour notice. Any unused lessons can be scheduled on a random or fixed basis up until August 31st. After that date, any remaining lessons may be carried over to the new 2026-2027 season with the purchase of a new seasonal package.

SEASONAL PRIVATE FOR KIDS

Children enrolling in seasonal privates must be enrolled in TCR's Jr Development Program
